### As an ASTD–Lincoln member you receive:

- **Monthly Programs:** Learn from the experts in the field. A variety of topics are offered throughout the year to keep you informed of the latest trends in the industry.
- **Workshops:** Attend full-day or half-day workshops. Annual workshops, such as Train the Trainer and Advanced Train the Trainer are designed to help participants master the specific skills needed to be more effective trainers or presenters.
- **The Big Event:** This annual event is a half- or full-day workshop that features regionally or nationally known presenters. This event is intended to serve not only a large percentage of our members but also hundreds of people from the community.
- **Special Interest Groups (SIGs):** Attend a special interest group monthly meeting to learn more about specific training related topics. Students may also participate in their own Student SIG and be mentored by a professional in our membership.
- **ASTD Competency Model:** Discover how to communicate your role and value within your organization, and gain a professional development roadmap for career success.
- **Scholarships:** Can't afford to attend a workshop, special event or other professional development program? Members may apply for an ASTD–Lincoln scholarship to assist with their own professional development.
